## 2-Day Sponsor and Vendors Instruction & Information

August 27 & 28

**EVENT:** The California State Duck Calling Competition is a waterfowl tradition with a long heritage of providing duck callers the opportunity to compete for an invitation to the World Duck Calling Championship in Stuttgart, Arkansas.

Held at the Veteran's Memorial Park in Colusa, this California Duck calling tradition has produced multiple world champion duck callers and we are proud to continue our support in the pursuit to master the art of calling waterfowl.
